Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► On July 15 2022 (the "Distribution Date"), shareholders of record at the close of business on July 11,2022 were paid 0.014167 shares of Healthcare Trust, Inc. ("HTI") common stock on each share of HTI's outstanding common stock (the "Distribution").

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► The Distribution is not subject to U.S. federal income tax under section 305(a). As a result, shareholders must allocate the tax basis of their HTI common stock upon which the Distribution was received (the "Old HTI Stock") between such Old HTI Stock and the shares received in the Distribution ("New HTI Stock"), based on their relative fair market values on the Distribution Date. See an illustration of this calculation on Line 16 below.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► Example: Before the Distribution, a shareholder held 300 shares of HTI common stock (i.e., Old HTI Stock) with an adjusted basis of \$15.00 per share, resulting in a total adjusted basis of \$4,500. In the Distribution, the shareholder received 4.2501 additional shares of HTI common stock (i.e., New HTI Stock, based on a 0.014167 share Distribution per share x 300 shares held). The shareholder's aggregate basis in the Old HTI Stock is adjusted to \$4,437.14 (300 shares of Old HTI Stock /304.2501 shares of HTI common stock x \$4,500) and the shareholder's aggregate basis in the New HTI Stock becomes \$62.86 (4.2501 shares of New HTI Stock / 304.5201 shares of HTI common stock x \$4,500). Note that where lots of Old HTI Stock were acquired at different times or for different prices, the basis allocation should be done based on such lots.

Part II Organizational Action (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ Sections 305(a) and 307(a).

18 Can any resulting loss be recognized? ▶ No loss may be recognized in the Distribution.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ The basis adjustments should be taken into account in the tax year of the shareholder during which the Distribution occurred (i.e., 2022 for a calendar-year taxpayer).
